

# What is Hinge Health?

## How does the program work?

Hinge Health provides personalized care plans to help people accomplish their health goals related to musculoskeletal (back, muscle, and joint) health.

## How does Hinge Health help?

They assess your condition and match you to a care team to help personalize your treatment to you.

## Who is in my care team?

Depending on your treatment plan, your care team could include a physical therapist and a health coach. You will keep the same care team throughout your experience.

## What could be included in my treatment plan?

1. Access to the Hinge Health app with guided exercise therapy
2. Virtual visits with members of your care team
3. Kit with a tablet and tools to assist in guiding exercise therapy

## Does the program require wifi and internet connection?

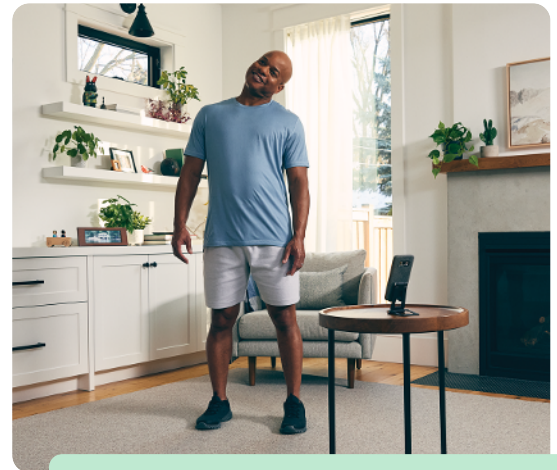

Wifi is not required to complete the exercise therapy sessions. Occasional wifi and/or cellular service is required to send participant activity to the coach and for video sessions.

## Who is eligible?

Employees and dependents 18+ enrolled in a Transocean medical plan through UHC are eligible.

## How do I apply?

Take a short online questionnaire following the link below, telling us about your pain. No referral or diagnosis needed from a doctor.

### Exercise therapy made easy
